

JAISON

Web Developer

+91 9751256119 — jaison.102355@sxcce.edu.in — [LinkedIn](#) — [GitHub](#)

Profile Summary

I'm a front-end web developer with hands-on experience in building responsive and clean websites using HTML, CSS, and JavaScript. I enjoy turning simple ideas into user-friendly interfaces and writing code that not only works well but looks great too. I've worked on real projects during my training and internship, and I'm always looking to learn more and grow as a developer through new challenges..

Technical Skills

Programming Languages: Python, Java, C

Web Development: HTML, CSS, JavaScript ,React,Node.js,MongoDB

Other: Data Structures, Algorithms ,Git

Projects

1.TimeZone – Watch Website Clone *Technologies*

used: HTML, CSS, JavaScript
